Dear Mr. Almas:

Re: 2nd Request for Submission of the 1991 Annual Report

In checking over our records for the year 1991, we find that we have not received annual reports from you for your Utah mining operations. These reports are required under Utah Code Ann. §40-8-15(2) and Utah Admin. R647-4-121 of the Utah Mined Land Reclamation Act.

Due to this oversight, would you now please fill out the annual reports for the Sahara, Straight Creek, Patti Ann, Hillside, Far West, Wood and Repete mines and return them to this Division by April 10, 1992. These reports are required annually until the sites have been completely reclaimed and/or reclamation surety released. If you do not have the MR-AR forms or need additional forms, please contact me and I will forward them to you.

Thank you for your prompt attention to this matter.

Sincerely,

Joelle Burns
Minerals Secretary
